Villa with commercial potential, This unique building stands on a spacious plot of 1,495 m² and is perfectly suited for conversion into a spacious, modern villa. Currently, the property is set up as a dental practice and rehabilitation centre with a total surface area of 268 m², but thanks to its iron structure, it is possible to give the building a completely new layout, provided that a few supporting pillars are retained, thus creating a comfortable home, possibly in combination with ...
