Heritage Townhouse with Rare Architectural Value in Parcent In the very heart of Parcent, this extraordinary three-storey heritage townhouse offers not just a home, but a tangible piece of the village's history. With 556 m² built (200 m² on the ground floor, 200 m² on the first floor, and 156 m² on the second), on a 232 m² urban plot, the property has been in the care of a traditional, genteel family for generations. Some restoration has already been carried out, including works to the...(Ask for More Details!)
