260m²

N/A

Spacious village house located in the town center and at the same time surrounded by nature. Located in Alpatró, in the valley of Vall de Gallinera, this house has two floors. It is located in the center of town, near bars and supermarkets, and a step away from the Church of La Asunción, neoclassical style, built in the seventeenth century. The ground floor has a large kitchen, bar, fireplace and 2 toilets. It also has a garden of 40m² with the possibility of expansion. The upper floor...(Ask for More Details!)
