Attached house near the sea and 3km from Denia. Located in a quiet and clear area we find this property renovated in 2004, at which time they made a new kitchen, changed all the doors, closed a large rear terrace and put all the PVC windows. The property is a large construction divided into two houses, this one in particular is composed of 4 bedrooms, a large living room from where you access the independent kitchen and the closed terrace that in turn gives access to the backyard where ...
