Frontline apartment in Les Deveses beach. This bright apartment located on the first floor of a building of two heights, has two large terraces, one semi-covered in the front of the house and another, always sunny, in the back of it, as well as a large solarium totally private on the roof of the house, with 360° views. The house has 4 bedrooms, all exterior, a bathroom, a toilet, a large and bright closed kitchen that in turn has a large pantry and a living room with large windows that...(Ask for More Details!)
