N/A

Beautiful village house, in the urban area, with private terrace. Town house to reform with many possibilities, entrance to the house by a living room with high ceilings and wooden beams, dining room with open fireplace of wood connected with interior patio and kitchen with pantry, bathroom with shower and storage room under the stairwell of the house. On the first floor, two very spacious bedrooms with natural light and balcony to the pedestrian street of Benissa. Next to the bedroom ... (Ask for More Details!)
