Wonderful villa in La Albardanera, located a few meters from the urbanization of La Sella. The house is built on a plot of almost three thousand five hundred square meters and has a constructed area of three hundred and twenty-nine meters. The plot is practically flat having a small slope. The house is distributed on one floor and has a huge Naya style covered terrace with eight arches. Inside, it consists of a large living room with closed fireplace, a large kitchen full of cabinets a...(Ask for More Details!)
