Beautiful Rustic Finca to reform Plot divided into three terraces, overlooking the sea. Ideal project for those looking for walking distance to the town, sea views, in a quiet and sunny area throughout the year. A typical country house with a nice riu-rau, living room with fireplace, and several rooms on the ground floor. On the first floor we find a gabled roof divided into two more rooms. Project for those who want to build their ideal house!! Do not miss this opportunity with a fan...(Ask for More Details!)
