Nice village house in Senija. Keeping the essence of a village house with an interior courtyard, we present this charming house. The doors are opened to a large living room with a fantastic wood burning fireplace, with door. We enter through high antique doors to the kitchen which in turn opens the way to a gallery or laundry room illuminated through a false transparent ceiling. Full bathroom with two heights. On the upper floor, we find a landing or study and three more bedrooms all ...(Ask for More Details!)
